## Fullstack Web Developer

I am a student of BS Software Engineering at Iqra University, Islamabad campus. My enduring fascination with computer science was sparked during my middle school years, and I have been actively engaged in learning and exploring the field ever since. I'm a quick learner, and I'm always looking for ways to improve my skills and knowledge. As a software engineering student, I'm committed to staying up-to-date with the latest trends and advancements in the field.
